AUSTRALIA

TREATMENT PROCESS

1 Make an appointment

To book an appointment simply call
1300 215 332
or visit our website
chilleggfreeze.com.au
and complete our
Book an Appointment form.

1

2 Medical consultation with a specialist

One of our specialists will review your medical history, test results and ultrasound scan to establish your treatment plan.

Consultation fee
Up to \$250

2

3

Your first appointment

You will meet with one of our highly trained fertility nurse coordinators to discuss your medical and fertility history and arrange for a series of pathology (blood) tests.

NO COST FOR THIS APPOINTMENT

Pathology (blood) tests are bulk-billed where possible.
Excluding AMH
GP referral optional

4

Fertility nurse coordinator consultation

At this point, we will discuss your treatment plan with you and provide you with a detailed education session on the use of injections and medications.

NO COST FOR THIS APPOINTMENT

Cost for medication is paid directly to pharmacy.
Approx. \$1500

5

Begin treatment

On the first day of your menstrual cycle, you will need to contact one of our fertility nurse coordinators to confirm your medication and treatment starting date.

The fertility nurse coordinator will undertake a follicle count scan at day 8-9 of your treatment cycle to monitor your response to the medication.

FLEXIBLE PAYMENT PLANS AVAILABLE

Egg Freeze cycle cost payable prior to commencement of cycle

6

Egg collection

Egg collection takes place while you are lightly sedated, for which you will be required to attend a:

- a) City Fertility procedure centre or
- b) City Fertility approved private hospital

External fees for hospital/procedure centre + anaesthetist apply

7

Eggs frozen

The fertility nurse coordinator will contact you to advise the number of eggs frozen. All frozen eggs are stored at City Fertility.
